

Classic **EASY** Collection

CLASSIC **EASY** COLLECTION

Lo stile come valore da riscoprire, dedicato a chi sceglie soluzioni di gusto tradizionale senza rinunciare alla modernità delle funzioni. All'interno di questa collezione, **Micol** cucina di una bellezza senza tempo, risultato di processi di lavorazione che tramandano i valori dell'abilità manuale e dell'esperienza, caratterizzata dall'anta a telaio con pannello bugnato.

Style as a value to rediscover, dedicated to those who choose solutions of traditional taste without giving up modern functionality **Micol**, a kitchen whose timeless beauty, characterized by the framed door with ashlar panel, is the result of manufacturing processes that pass on the values of manual skill and experience.

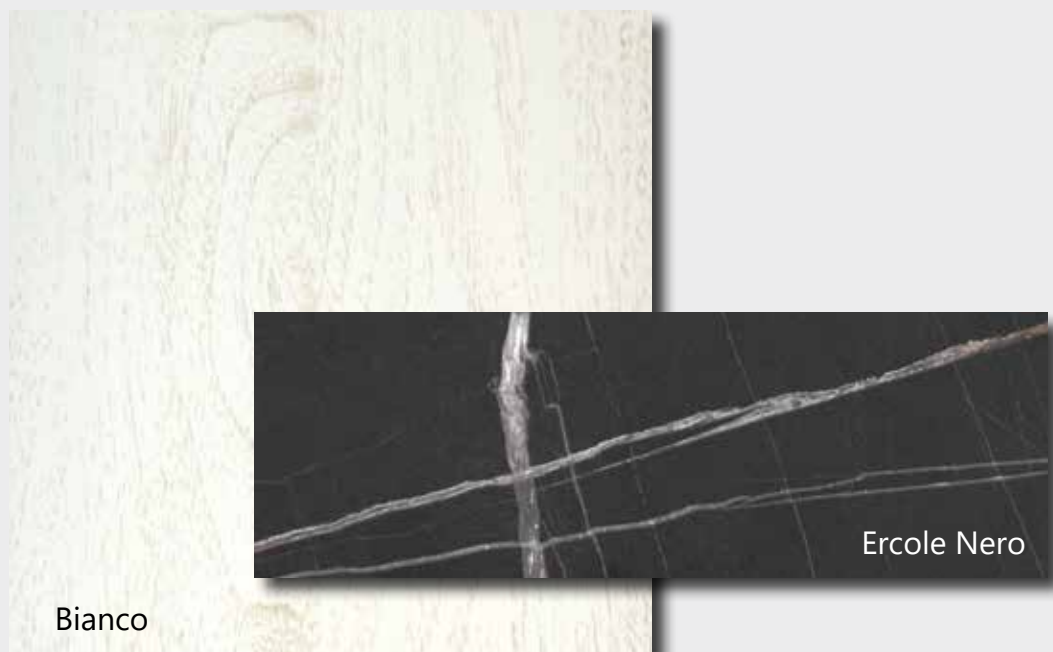

Le style comme valeur à redécouvrir, dédié à ceux qui choisissent des solutions de goût traditionnel sans renoncer à la fonctionnalité moderne.

Micol, une cuisine dont la beauté intemporelle, caractérisée par la porte à cadre avec panneau bosselé, est le résultat de processus de fabrication qui transmettent les valeurs de l'habileté manuelle et de l'expérience.
