

K₁₀

K10

L'anta K10 è connotata da un profilo metallico in differenti finiture e dalla sua originale inclinazione che rende il progetto unico ed esclusivo. Il Cannettato Noce e Nero, personalizzano le proposte con un tocco dal sapore "etnico" decisamente glamour.

The K10 door is characterised by a metal profile in different finishes and by the original inclination that makes the design unique and exclusive. The Cannettato doors in Noce and Nero finishes personalise the proposals, giving them a touch of decidedly glamorous "ethnic" flavour.

La porte K10 se caractérise par un profil métallique disponible en différentes finitions et par l'inclinaison originale qui rend le design unique et exclusif. Les portes Cannettato dans les finitions Noce et Nero personnalisent les propositions, en leur donnant une touche de saveur "ethnique" résolument glamour.
